GYP-GRIPP

GYP-GRIPP

SECTION ONE: IDENTIFICATION OF THE SUBSTRATE/PREPARATION:

Name: GYP-GRIPP

Code: 30002

CAS No: N/A

Updated: 14-Feb-11

EchoChem: N/A

EC: N/A

SECTION TWO: COMPOSITION ON INGREDIENTS:

Characterization: A styrene/butadiene co-polymer latex.

SECTION THREE: HAZARDOUS IDENTIFICATION:

SAPMA Health Rating: 4 – Minimal – No great risk to health.

The product is not classified as dangerous according to EC Directive 88/379/EEC and subsequent adaptations.

SECTION FOUR: FIRST AID AND MEASURES:

Eye Contact: May cause temporary irritation. Wash thoroughly with water. If irritation persists, seek medical attention.

Skin Contact: Skin irritation may be caused by direct and prolonged contact. Wash carefully with soap and water. If irritation persists, seek medical attention.

Inhalation: This may cause dizziness or headache. Move to fresh air.

Ingestion: Wash mouth with plenty of water. Do not induce vomiting. If the victim has swallowed the product, seek immediate medical attention.

GYP-GRIPP

SECTION FIVE: FIRE FIGHTING MEASURES:

This product is an aqueous dispersion and is not combustible.

SECTION SIX: ACCIDENTAL RELEASE MEASURES:

Personal Protection:

Wear protective clothing. Eye Protection and gloves.

Procedures for Cleaning/Absorption:

Large spillages should be contained and pumped into a receiving vessel. Small spillages should be absorbed on inert absorbent (sand, sawdust diatomite).

SECTION SEVEN: HANDLING AND STORAGE:

Handling: No special precautions are needed with normal housekeeping.

Storage: Protect from frost and direct sunlight. Store between +5 and +25°C. Observe safe tank entry procedures.

SAPMA Hazard Rating: 4 HC

SECTION EIGHT: EXPOSURE CONTROLS / PERSONAL PROTECTION:

The product contains low levels of volatile organic compounds which may evaporate during application and drying. Also, a small quantity of ammonia has to be considered.

Respiratory Protection: In poor ventilation, e.g., inside storage tanks or when spraying without proper extraction, wear a suitable respirator.

Eye Protection: Goggles, face visors, or safety glasses are advised.

Skin Protection: If there is a risk of severe splashing, wear waterproof overalls.

Hand Protection: For frequent contact, wear impermeable gloves.

Advice for Technical Equipment: Provide good general ventilation in the workplace. Where the product is dried or sprayed, local extraction is recommended.

GYP-GRIPP

SECTION NINE: PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Milky white liquid

Flash Point: N/A

Odor: Characteristic

Flammability: N/A

Boiling Point: App 100°C (water)

Melting Point: App 0°C (water)

Solubility in Water: Insoluble but miscible in all proportions.

SECTION TEN: STABILITY AND REACTIVITY:

This product is stable under recommended storage conditions.

SECTION ELEVEN: TOXICOLOGICAL INFORMATION:

Long-term experience of this product type indicates no danger to health when properly handled under industrial conditions.

SECTION TWELVE: ECOLOGICAL INFORMATION:

The product is not classified as dangerous to the environment according to EC Directive 93/21/EEC

Additional Advice: Long-term experience with the dispersion when used as agreed, indicates no ecological damage.

SECTION THIRTEEN: DISPOSAL INFORMATION:

The product and wastewater containing product should not be discharged directly into drains and waterways without treatment. The polymer content may be separated in suitable coagulations and purification plant. Disposal of the product, solid waste, and packaging should always comply with local, national, or EU regulations and be undertaken by an authorized contractor.

GYP-GRIPP

SECTION FOURTEEN: TRANSPORT INFORMATION:

This product is not classified as dangerous according to International Transport Regulations.

SECTION FIFTEEN: REGULATORY INFORMATION:

The product is not classified as dangerous according to EC Directive 88/379/EEC and requires no special labeling.

SECTION SIXTEEN: OTHER INFORMATION:

This material safety data sheet conforms to EC-Directive 91/155/EEC and 93/112/EC.

The information given here is to the best of our knowledge and is accurate and is provided solely for making safety assessments.

It is not a sales specification. Other relevant laws and regulations should be observed by the product user.

For further information contact addresses according to Section 1.
